

AOK EARLY CHILDHOOD NETWORK PLAN ON A PAGE FOR: EDWARDS AND WABASH COUNTIES

Strategic Initiative	Objectives	Approaches/Methods	Network or System Building Strategy
<p>#1 Formalize Network Capacity, Membership Roles & Responsibilities and Operation</p>	<p>1.1 INCREASE MEMBERSHIP AND ENGAGEMENT The Wabash/Edwards Counties AOK Network will have formalized membership with effective practices to successfully recruit and sustain our AOK Network. These members will be leaders within their own organizations, agency, or community who have the authority, credibility, and/or influence to positively affect the desired outcomes of the Network. These members will have a clear understanding of their role and responsibility as Network members as measured by the Wilder survey, reviewing of our AOK linkage agreements and Network discussions.</p> <p>1.2 Formalization of AOK Network AOK Members will have a formalized welcome packet with a membership/collaboration agreement based on a structure that will define member's roles & responsibilities, clarifying AOK's mission & vision, thus creating clear goals to motivate stakeholders in our community to invest and commit to the work and challenges of our AOK Early Childhood Network.</p>	<p>1.1.1 Establish a workgroup & develop a recruitment plan</p> <p>1.1.2 Implementation of Recruitment Plan</p> <p>1.2.1 Create Membership/Collaboration Agreement</p> <p>1.2.2 Implementation of the AOK Network Collaboration Agreement</p>	<p>Network Capacity – Conceptual framework; Collaborative Leadership & Engagement; Network Function & Structure</p>

<p>#2 Strengthen Information & Referral System</p>	<p>2.1 To Develop a Resource Directory for our Network members and service providers that can be easily accessed, allowing for updates as needed.</p> <p>2.2 Improve Current Referral System</p>	<p>2.1.1 Establish workgroup & develop resource directory</p> <p>2.1.2 Distribution of Resource Directory</p> <p>2.1.3 Update Parent Resource Directory/Card/Yellowpages</p> <p>2.2.1 Create Universal/Referral Document</p> <p>2.2.2 Development of AOK page/website</p> <p>2.2.3 Establish Out of State Birth Liaison</p>	<p>System Capacity – Information & Referral. & Access</p> <p>Public Information & Education Access Policy</p>
<p>#3 Develop Public Information & Provide Education</p>	<p>3.1 Developmental Screening Awareness & Education – Identifying early developmental problems or disorders; educating parents and bringing awareness to any potential developmental delays or challenges.</p> <p>3.2 Child Abuse and Neglect Awareness - Provide awareness and education to our families and community through media, social networks, and educational sessions giving them a clear understanding of child abuse and neglect.</p> <p>3.3 Children’s Mental Health Education</p>	<p>3.1.1 Developmental Screening awareness and education</p> <p>3.2.1 Define and provide education – Child Abuse and Neglect</p> <p>3.3.1 Children’s Mental Health Month – Provide education to our community, parents, schools, and service providers</p>	<p>System Capacity – Service needs and Utilization</p> <p>Public Information & Education; Information and Referral; Quality</p>
