Communication: How To Have a Meaningful and Effective Conversation Between Children & Adults

This will be a ZOOM presentation. If this flyer has been shared with you, email Anita for an invite. Log in 5-10 minutes before session for roll call.

Thursday, December 3, 2020
12:00-1:00

Presenter: Molly Dunn-Steinke M.S.Ed, LPC, I/ECHMC

Communication is the key to successful relationships between children and adults. Whether these relationships are in your personal life or professional life, how we communicate matters. Healthy conversations have a balance of speaking and listening. In this session we will watch a brief video that lays out ten ways to have a better conversation. We will then discuss strategies to build your communication skills and help you have purpose for your future conversations.
